I understand that our team has its own web site, and on it is a place for a team roster. In order to get to the team roster you **MUST** have the user name and password, which you will receive at the time of registration. Please be assured that the only people that will be able to access this information will be members of the swim team who have been given the user name and password. We feel it is important to have this on-line so that our parents can contact each other regarding volunteer duties, car pool contacts, etc. Pictures of the swimmers may also appear on the website (team pictures, pictures at meets, etc.) and Breaker's promotional materials.

Please check below:

- YES, you have my permission to release our information to the team roster web site and allow pictures to be used on the website.
- NO, DO NOT release our information to the team roster web site or allow pictures to be used on the website.

Without parent volunteers, this team is not possible. I understand that as parent/guardian, in order for my child(ren) to participate in the swim team, I will be required to fill my name in for a minimum of three volunteer positions/date(s) on the Volunteer matrix before this registration form is considered complete. I also understand that in addition to the above, I am required to volunteer at the Practice Meet on May 21st, and either the Invitational meet or Championship meet to be held on June 25th (whichever meet my child(ren) will be participating in). Invitational meet will be held in the morning and Championship meet will be held in afternoon. **If your name is not listed on the volunteer matrix, your child will be ineligible to swim on the team.**

By signing this registration form, I fully understand all of the above requirements. I have read and understand the guidelines stated on "Page 1" of the parent handbook.
